Our speaker is Doorae Shin from the Kōkua Hawai'i Foundation. As the Program Manager of the Plastic Free Hawai'i and the 3R's School Recycling Program, she empowers and educates Hawai'i's youth to move their lives and their schools to zero-waste practices. Doorae lead a campaign that banned the use of Styrofoam at UH Manoa in 2012. As a UH Manoa Alumni with a degree in Sustainability Studies, she has 8 years of experience as an activist for environmental issues, social justice and immigrant rights.
